To the Head or Joint Heads or members of the Household aged 16 or over

Please complete this form for all members of the household, including children, and have it ready for collection on Monday 22nd April. Your census enumerator will call to collect it then or soon afterwards and will help you with the form if you have any difficulties. The enclosed leaflet explains why the Census is necessary and how the information is used.

Completion of the form is compulsory under the Census Act 1920. If you refuse to complete it, or give false information, you may have to pay a fine of up to £400.

Your answers will be treated in strict confidence and used only to produce statistics. Names and addresses will not be put into the computer; only the postcode will be entered. The forms will be kept securely within my Office and treated as confidential for 100 years.

Anyone using or disclosing Census information improperly will be liable to prosecution. For example, it would be improper for you to pass on to someone else information which you had been given in confidence by a visitor or enable you to complete the Census form.

If any member of the household aged 16 or over does not wish you, or another member of the household, to see their information, please ask the enumerator for the individual form with an envelope.

After completing the form, please sign the declaration on the last page.

Thank you for your co-operation.
