The “Informational Copy” shows the content of the United States Census 2000 form. Each household will receive either a short form (on which the Census Bureau estimates that, for the average household, this form will take about 10 minutes to complete, including the time for reviewing the instructions and returning the form) or a long form. The short form resulted from reviewing the 1990 census data, consulting with federal and non-federal data users, and conducting tests.
